

# Cooperative Education & Internship Program

## Hire an Aggie Intern!

The NMSU Office of Experiential Learning has an established Cooperative Education (Co-op) and Internship Program. The purpose of the Program is to provide experience-based learning through paid employment in practical, curriculum-related work assignments structured to meet the student's major, interests, abilities, and career goals. It is a partnership effort where the student, employer, and NMSU all participate on an equal basis in an effort to make the student's educational experience richer. We invite employers to take advantage of this opportunity to hire an Aggie Intern.

### WHAT IS A CO-OP/INTERNSHIP

- Paid, pre-professional work experience related to a student's major
- Positions are part-time or full-time
- Positions are local, national or international
- NMSU, the employer and the student work together to ensure that the academic and work experience aspects of the program are carried out benefiting the student while contributing to your company's success
- Hiring cycle can be summer, fall or spring semesters

### BENEFITS TO EMPLOYERS

- Highly talented students, trained in your industry
- Ability to train and mentor an NMSU Aggie
- Increase awareness of your organization on campus to attract future candidates for employment
- Assist with meeting your project needs
- Decrease training and recruitment costs by hiring an Aggie Intern
- Investment in the future workforce

### HOW TO GET STARTED

- Contact the Cooperative Education & Internship Program at 575-646-4115 to discuss your company's needs
